**An understated way
of standing out**

INNOVATIVE PAINT TECHNOLOGY

Introducing COLORSTEEL® Matte

Design without compromise.

When it comes to great design, every element is considered. From shape and form, to colour and texture – the details matter.

With a growing trend for matte finishes and industrial colour palettes, COLORSTEEL® Matte allows you to achieve your design vision without compromise.

COLORSTEEL® Matte - An innovative and premium paint technology using micro-wrinkle technology to diffuse light, creating a unique lusted surface and a soft textured look, revealing the true tone and depth of colour not seen in other finishes.

A refined choice which proves beauty is in the detail, when transforming the look of your home.
